### RCIA Rite of Christian Initiation of Adults

Last Sunday we had a tremendous session centered around the Lord's Prayer. Tertullian, an early Church father, said, The Lord's Prayer "is truly the summary of the whole gospel." Check it out for yourself in the Catechism, CCC 2759 - 2865. In a hurry, see 'In Brief': CCC 2857 - 2865.

This Sunday we learn about the Church, Authority, and the Magisterium (and a few other things.)

*Please keep our Catechumens, Candidates, and their supporters in your prayers.*

## From the Pastor

Dear People of St. Albert the Great,

### PARISH NEWS

A new month begins.....and lots of parish activities as well. **Our Boy Scouts and Cub Scouts** are celebrating "Boy Scout Sunday" today at the 11:00 am Mass. These young men give much time to helping others and becoming good citizens. They and their leaders are to be applauded for all they do for the parish and community.

Our school will sponsor the **Science and Engineering Night** this week. It is amazing what these young students put together for projects. It will be held Tuesday evening. Stop by and plan to be impressed.

I encourage parents of teens in the 8th thru 12th grades to consider sending their children to the **Theology of the Body Retreat** March 9-11 (Friday - Sunday) at the Spiritual Center of Maria Stein. This event is being sponsored by our Youth Ministry Coordinators, Karen Fitzharris and Fr Ned Brown. The cost is \$95 which includes meals and accommodations. Look for forms in the Gathering Space or on our website: [stalbertthegreat.net](http://stalbertthegreat.net). The registration deadline is March 2. Teens from all around our area will attend. I know this might interfere with some sporting commitments or events, but this is such a worthwhile event when our young people are constantly given negative and immoral messages about sex. You can contact Karen or Fr Ned with questions.

### THE GOOD NEWS

The success of the Harry Potter fantasy books has been called an "unbelievable phenomenon" in publishing. Over 450 million copies of the 7 books have been sold. Still, the Bible has sold from 2.5 to 5 BILLION copies. Sounds like a lot!

Some churches debate whether the Potter stories introduce children to magic and the occult; or do they actually help children subtly distinguish between forces of good and evil? Well, let's look carefully at how Jesus deals with demons and diseases caused by evil forces.

Today, Jesus comes near to Peter's mother-in law when he learns of her illness, takes her by the hand, and lifts her up. In Harry Potter, evil is usually attacked at a distance—by pointing a wand and reciting symbolic words. But with Jesus, his very touch brings healing. Why?

There is no evil that Jesus has not penetrated; he is deeply immersed in the swirl and storm of life's good and evil. He was once described as "A man of sorrows, and acquainted with iniquity." There is an intimacy, nothing distant about his care and healing. In fact, he heals those on the margins of society—women, lepers, those who are thought to be insane.

There's nothing to fear in Harry Potter, as long as we remember, Jesus does not need to point a magic wand, because he himself IS the conduit of life: He IS the Way.

*Peace.... Fr. Tom*

## School News

### From the Principal:

Our Catholic Schools Week celebration was filled with many fun activities for the students, parents, and staff. However, the highlight of the week was the Penny War service project to raise money for Catholic Social Services of Miami Valley. As a result of the project, our students learned that there is a great need to help the disadvantaged as the average age of the homeless in the Dayton area is just 9 years old.

I would like to thank our Communication Team for all their work in coordinating Catholic Schools Week and the PTO for funding the activities. Our PTO members work hard and they pledge their resources to support all our school programs. Please continue to support their efforts in making **STAGS** a "Great" place to learn.

On Saturday, January 27, several of our students participated in the Power of the Pen at Valley View High School. In this academic meet; Claire Evans, Hannah Schwager, Gabe Hopkins, and Graham Curry competed against 90 of the best writers in the Dayton area. Congratulations and thank you to all four of our writers and their parents for representing Saint Albert the Great so well at the Power of the Pen competition.

We are accepting school registrations for pre-school, young 5s, kindergarten, and all grade levels 1-8 for next year. Our school offers a Catholic environment and strong academic programs that prepare students for success in the future. Call the school office for more information or to arrange for a tour.

Thank you for the many ways you support this wonderful school. Please keep us in your prayers. You are always in ours.

*Mike Kirry, Principal*
