New Years Resolutions

How many times have you made a New Year's resolution that never quite materialized? The Family Life Office encourages you to try setting a family goal rather than a personal one for 2012. Sit down together as a family and discuss what sort of resolution you'd like to make. It's important to think about a time frame with some checkpoints to monitor your progress. Make sure to involve everyone in the same plan, then encourage and support one another in their unique role. You'll find that working together not only keeps the momentum going and strengthens family ties, but also increases the odds of successful completion! Make sure you celebrate your success. The more fun you make it, the more your family will look forward to future challenges!

From the Pastor

Dear People of
St. Albert the Great,

PARISH NEWS

Our Pro Life Group will be selling candles after all the Masses today. These candles will burn in our church and chapel in remembrance of aborted children next weekend.

That is the week of National March for Life in Washington, DC. Members of our parish will be attending that event. Please keep them in your prayers as they give witness to the sacredness of every human life.

Our school will not be session on Monday, January 16, to honor the day set aside in remembrance of Martin Luther King. His non-violent approach to social change is what the Lord asks of us all. It seems that there is so much violence over the most minor matters these days that we would do well to model his example and encourage others to do the same.

Our Athletic Association will sponsor their annual Fish Fry this upcoming Friday, January 20. It's a great time to see old friends and support the work of our Athletic Group. Plan to attend. Let's hope the recent good weather holds up so they will have a successful event.

THE GOOD NEWS

*"Do you not know that your body is a temple of the Holy Spirit within you,... and that **you are not your own?** ... Therefore, glorify God in your body."*

Did you realize, "you are not your own?" This helps us understand why St. Paul says "your body is not for fornication; it is for the Lord...." In the easy secular culture today, too many young people think that using their bodies for sex is "no big deal." Yet it brings consequences kids don't think about: teen depression and suicide at an all-time high; self-hatred in young women; babies which end up killed by abortion, or raised by teen parents.

Fornication is like all sin: sin trivializes us, and we are not trivial, we are sacred. You are not junk! God called you into life by name, and you were bought at a price. Keep LISTENING to God's voice in your family and community of faith. LEARN how to eliminate whatever keeps you from being Christ to others.

You will finally feel really free in knowing, "you are not your own"—**because you are God's.**

Peace.... Fr. Tom

Why Do Catholics Do That?

**Why are there statues and images
in our churches?**

In the early days of the Church, many of the faithful couldn't read or write. Images, icons, and statues in our churches served as teaching tools and spiritual aids.

Today, images of the Crucifix remind us of Jesus' sacrifice and Resurrection. Statues of Mary and the saints recall their heroism and remind us of what we can become. These tools call us to better efforts at holiness, and urge us to ask God for the grace to keep trying for saintliness.
